

1    **SECTION 9-00, DEFINITIONS AND TESTS**

2    **August 4, 2003**

3    **9-00.8 Sand Equivalent**

4    This section is revised to read:

5

6       The sand equivalent will be the average of duplicate determinations from a single  
7       sample. The sand equivalent will be tested in accordance with the WSDOT Field  
8       Operating Procedure (FOP) for AASHTO T 176.
